### I. PENDAHULUAN

1. Latar Belakang ........................................................................................................ 1
2. Rumusan Masalah .................................................................................................... 3
3. Tujuan ..................................................................................................................... 3
4. Manfaat .................................................................................................................... 4
5. Ruang Lingkup Penelitian ......................................................................................... 4

### II. TINJAUAN PUSTAKA

1. Kerangka Teoritis .................................................................................................... 5
   1.1. Pandangan Manajemen Pendidikan .................................................................. 5
   1.2. Perilaku Konsumen ......................................................................................... 7
   1.3. Pengambilan Keputusan .................................................................................. 11
   1.4. Proses Pembelian ............................................................................................ 15
   1.5. Definisi dan Karakteristik Jasa ..................................................................... 16
   1.6. Kualitas Jasa .................................................................................................. 17
   1.7. Kepuasan Konsumen ...................................................................................... 19
2. Penelitian Sebelumnya ............................................................................................. 22
3. Kerangka Pemikiran ................................................................................................ 26

### III. METODOLOGI PENELITIAN

1. Desain Lokasi dan Waktu Penelitian ........................................................................ 28
2. Teknik Pengambilan Contoh .................................................................................... 28
3. Jenis dan Sumber Data ............................................................................................ 29
4. Teknik Pengumpulan Data dan Informasi ................................................................ 30
5. Teknik Pengolahan dan Analisis Data .................................................................... 30

### IV. HASIL DAN PEMBAHASAN

1. Gambaran Umum Responden .................................................................................... 34
   1.1. Asal Universitas .............................................................................................. 34
   1.2. Bidang Kesarjanaan ....................................................................................... 35
   1.3. Kelompok Umur .............................................................................................. 36
   1.4. Alasan Memilih MMA IPB ............................................................................ 38
   1.5. Sumber Informasi MMA IPB .......................................................................... 41
   1.6. Rekomendasi untuk Masuk MMA IPB ............................................................ 42
