Biography

Polyman was born in Palembang, raised in Bogor. In the young tender age of seven, he went overseas and study in Singapore. He is the third child from the four children that are raised by their parents, called Simarba Atong Tjia and Herawati Koseng Weng.

In the year of 1998, he graduated from Bendemeer Primary School in Singapore, in the year of 2002, he graduated from Whitley Secondary School in Singapore. He received his Bachelor of Commerce from University of New South Wales (UNSW) in the year of 2006, majoring in marketing and finance.

As an undergraduate, he was ranked among the top one percent in marketing school and able to score distinction average in the end of his semester. Upon graduation, he had received many recommendation among his teachers.

Since the beginning, Polyman has a very deep interest in finance. Soon upon his graduation, he began to read a lot of investing books, tried all sort of methods in the stock market (growth, technical, rumours, fundamentals, penny stock, etc). Not only he invested in Indonesia Stock Exchange (IDX), he also invested overseas like United States of America (USA) as well. After years of experience in the stock market. He finally found a method that truly works, called Value Investing. Now, he is capable of doubling his money in less than a year, solely from stock market, both locally and overseas.

Polyman work in PT. Cahaya Buana Intitama since 2006. The factory located in Sentul. He was given a huge responsibility of handling a factory that produce mineral bottles. In just a short period of time (2 years), his business grow more than 100%, with sales over Rp 3 Billion. Having to achieve a high quality standards of its product, it accepted by many large companies like Sosro, Alto, Sinarmas and 2tang.
