ACKNOWLEDGEMENTS

He has made everything beautiful in its time! Praise the Lord for His grace that gave me the ability to finish my study and complete this dissertation. I am aware that many who have been contributing and supporting me in order to complete my study, therefore my greatest appreciation and sincere thanks would be presented to:

1. My supervisors Prof Dr Ir Yusman Syaukat, MEc, Prof Dr Ir Bustanul Arifin, MSc, and Prof Dr Ir Mangara Tambunan, MSc, who had infinite support and patiently guide me through the completion of the dissertation. Thanks also to Dr Rafał Balina, my supervisor from Warsaw University of Life Science-SGGW, Poland under Erasmus Plus program, as well as to Prof Dr Ir Hermanto Siregar, MEc and Dr Aviliani SE, MSi as examiners of the external commission, who also provided meaningful inserts and comments.
2. Rector of IPB, Dr Ir Arif Satria, Sp, MSi, Dean of Graduate School, Prof Dr Ir Anas Miftah Fauzi, MEng, and to the Management of School of Business IPB, Prof Dr Ir Noer Azam Achsani, MS, Prof Dr Ir Syamsul Maarif, MEng, as well as entire academic team, for their support, counsel, motivation, and sharing discussion.
3. Bank BRI, especially Division of Policy and Micro Business Development which has given me the opportunity to do a research related to Branchless Banking program.
4. Universitas Kristen Indonesia foundation (YUKI), which has provided scholarship support, as well as moral support from Ir Maruli Gultom (Rector of UKI 2008-2012), Dr Maruarar Siahaan, SH (Rector of UKI 2012-2018), and Dr Dhaniswara Harjono, SH, MH (Rector of UKI 2018-2022).
5. My good friends who have encouraged and supported the process of completion of this dissertation, namely Dr. Ir Adolf B. Heatubun, MS, Ir T Sunaryo, MA, PhD, and other parties that I cannot mention one by one for their invaluable aid and support.

Last but not least, an infinite thanks to my husband Ir Saut Pane, MBA who is always behind me in every step forward, supported, encouraged and helped me with his love, as well as our children Abram H. Pane, John M. Pane, and Edenise K. Pane who had given their support in the completion of my studies. I hope this research can be useful for many people.
